

INN8E

CRAFTING SOCIAL + ECONOMIC COALITIONS

OVERVIEW

This Programme offers a total provision of toilets, tinned fish, housing, public open spaces & parks, technical, financial & in-kind resources, and CSR commodities. This division will supply products, services and solutions to the entire solutions ecosystem, including the Innv8e Group's portfolio of projects.

We provide turn-key competitive logistics solutions to ensure that the toilets, tinned fish and other commodities are manufactured and procured at the right price for the right audience.

Through our strong stakeholder network, we engage technical, financial and in-kind partners specific to the project to ensure that it is delivered and managed in a sustainable and commercially viable manner.
